PRE-DEPARTURE INFORMATION

Situated in South Asia between Pakistan, China and Nepal, India is home to some of the world's most dramatic landscapes, dividing the country into four distinct topographical regions –the mountainous regions of the Himalayas, the fertile Indo-Gangetic plains, the arid, dusty desert-like areas of the Great Indian Desert and the lush tropical lowlands of the Southern Peninsula. Its myriad of scenery, culture, and nature offer an endless discovery that has enticed and delighted travelers for many years.

GETTING ALONG AS A VISITOR

Food & Restaurants

- ❖ Breakfasts and some meals are included in trip cost
- ❖ A wide variety of food is offered in India and can accommodate vegetarians
- ❖ You can expect to spend around 130-550 Rupees (\$3.00-12.00 USD) per meal, per person

- ❖ Eat only foods that are thoroughly cooked, and raw fruits and vegetables that you have peeled yourself
- ❖ Drink only bottled drinks, and avoid tap water, fountain drinks and ice cubes
- ❖ Don't buy food from street vendors or stalls
- ❖ Avoid fresh salads unless the vegetables are washed with purified water, and avoid dairy products that are unpasteurized or may not have been refrigerated properly

Money and Currency Exchange

- ❖ The Indian currency is the Rupee (R or INR)
- ❖ Indian currency can be obtained freely from hotels, banks or local money changers in major cities
- ❖ Check the current exchange rates at: <http://www.xe.net/ucc/>
- ❖ It is a good idea to bring newer dated currency that has no rips, marks, folds, or holes
- ❖ Visa, American Express and Barclay's Bank Traveler's Checks are widely accepted at most major banks
- ❖ American Express, Visa and Diner's Club credit cards are accepted throughout India, though a surcharge may be added to the purchase price
- ❖ Be aware that you may need to show your passport when using a credit card. Also, credit card companies are now charging a 3%+ surcharge on all foreign currency purchases (purchases of goods made outside of the US). Check with your credit card company before you travel as the charges change frequently without notice and vary with card and destination.
- ❖ ATM machines are available in the larger cities
- ❖ Banking hours are typically 10:00 am to 2:00 pm Mon-Fri and 10:00 am to 12:00 pm on Saturdays
- ❖ We suggest bringing \$500-600 for items not included in the trip cost, emergencies, and for shopping
- ❖ A 10-20% luxury tax is levied by the government on sales and services not already included in trip costs
- ❖ Airport departure tax approximately R550 (\$12 US)

Tipping

- ❖ Tipping is customary and expected in India as a reward for good service
- ❖ You may have an escort guide to accompany the group for the entire duration, as well as local guides in each destination, drivers, and helpers who all should be considered for tips.
- ❖ Tips may be pooled together among group members, or given individually, as you prefer.
- ❖ Tips below are estimated on private tour size (2-4 people) and group tour size (5-8 or more). For a private tour with only 1 person, you may consider tipping more.
- ❖ For a local guide, suggested tips would be \$3-5 per person for a half-day tour, and \$4-7 per person for a full day
- ❖ For an accompanying escort guide, suggested tips would be \$5-8 per person per day.
- ❖ Tips for a driver on a small group tour (2-4 people) would be \$3-5 per person per day, and on a group tour of 5 or more people \$1-2 per person per day, plus \$1 per day for the helper.
- ❖ In tourist restaurants or hotels, there is typically a service fee of 10%, which is not a tip
- ❖ During meals, with a small group, it would be appropriate to tip approximately \$2 per person per meal
- ❖ For meals when in a group of 5 or more people, \$1-2 per person for buffet meals at the hotel and \$4-5 per person. for local restaurant or special meals would be appropriate
- ❖ Tips at the hotel would be \$1 per person in a group, or \$2 per person when in a small group, when checking in or out of the hotel/ baggage handling
- ❖ Tipping taxi or rickshaw drivers is not mandatory
- ❖ Tip money may be in U.S. currency or local equivalent
- ❖ Anytime you especially appreciate someone particularly informative or helpful, an extra tip is always gratefully accepted.

Emergency Services

- ❖ India offers quality medical care in major cities
- ❖ Prevention of injury is always the best policy.
- ❖ Your guide will advise you in the case of urgent medical need during your tour

SPECIAL REMARKS

People

- ❖ You will find most Indians to be very hospitable and friendly
- ❖ If Indians stare at you, do not consider it rude, but a matter of curiosity
- ❖ It is best to ask permission before entering houses, or before taking portrait photos.
- ❖ DON'T wear shorts or sleeveless shirts in places of worship
- ❖ DON'T wear shoes in places of worship or people's homes
- ❖ DON'T give alms to beggars; instead, donate to a recognized charitable organization
- ❖ If in doubt, ask the guide

Time

- ❖ Relax and enjoy the easy-going rhythm of India
- ❖ Do not expect everything to happen on time; remember that in some places time is not as important as it is back home, and there is often little concern for punctuality
- ❖ Despite best efforts, departures and arrivals could be a little before or after the time given. This applies particularly to aircraft movements. Operating requirements, weather and terrain sometimes present problems, and on these occasions, to ensure your safety, flight times may vary

Restroom Facilities

- ❖ It is a very good idea to carry your own small supply of toilet paper. In cities where there are flush toilets you will usually find a wastebasket next to the toilet - most sewage systems can't handle paper. Most bathrooms will neither look nor smell as sanitary as those you are used to.

Safety

- ❖ Observe the same precautions taken at home
- ❖ Do not flaunt a bulging wallet, always lock unattended vehicles, do not leave baggage unattended in public
- ❖ Make use of security facilities provided for valuables in your accommodation
- ❖ In towns, the best place to carry your passport and money is in a pouch worn around the neck inside of the shirt or in a money belt around the waist
- ❖ It is highly recommended that you buy travel insurance that covers your baggage before you leave
- ❖ Don't take anything you can't afford to lose or can't replace

Shopping

- ❖ Popular souvenirs include: Woodcarvings, Carpets, Jewelry, Leatherwork, Metalwork & marble, Musical instruments, Paintings, and Silk, saris & textiles
- ❖ Bartering is the norm at street markets. Ask your guide for tips on local bartering. But don't push too hard - remember that what is only a few dollars to you may mean a great deal to the average seller or artisan. Never barter unless you intend to buy.

Climate

- ❖ The climate varies greatly, depending on time of year and location, making it very difficult to generalize.
- ❖ Temperatures tend to be much cooler in the north, versus the year round warmth of the south.
- ❖ The cool season runs from November to March, and is the best time to visit much of India. However, during this time, temperatures in the north can reach below the freezing point and roads are impassable in the far north. It can even get quite cold in the northern central parts of India.
- ❖ In the far south where it never really gets cold, the temperatures are pleasantly warm. The dry, hot season runs from March to June when temperatures can soar to over 110°F, though it can be quite pleasant in some parts of the Himalayas.
- ❖ The hot monsoon season usually begins sometime in June and typically lasts until October, though the southeast coast receives most of its rain from October to early December due to the northeast monsoon.

Equipment & Packing

- ❖ A good goal is to fit everything into a single piece of checked luggage and a carry-on daypack
- ❖ We recommend a durable, water-resistant, soft duffel bag (for treks) or lightweight soft-sided suitcase as your checked luggage. Hard suitcases are not practical due to space limitations.
- ❖ A small backpack or hip-pack is ideal for carrying bottled water, camera, extra sunblock, etc, while on excursions where the terrain requires your hands to be free.
- ❖ Choose a distinctive, easily identified bag, and use a JOURNEYS luggage tag for bag identification by staff, and your name and address should be also indelibly affixed inside the luggage.
- ❖ Lightweight & light colored clothes will help keep you cooler in hot, sunny climates. Also keep in mind that synthetic fabrics dry faster than natural fibers like cotton, especially in humid areas, so you can pack less if you are able to wash and dry your clothes easily.
- ❖ Casual clothing is appropriate at all times
- ❖ Some hotels may have laundry services, but you will probably need to wash out some clothes en route
- ❖ Be aware of weight limits on checked luggage and pack accordingly
- ❖ You may want to bring an extra smaller, collapsible (lockable) duffel, to leave items in a city hotel while you are on an excursion or to use on your return for souvenirs
