# Trip to Vietnam & Cambodia

## A JOURNEYS Trip Review

By Wendy & Chelsea Trembly (JOURNEYS Travelers)

### A trip that could not be matched.....

We had the most amazing time in Vietnam and Cambodia! Our guide (Mien) was phenomenal. She truly became a dear friend. She was so informative, generous and accommodating. We could not have asked for a better guide in Vietnam. There were so many instances where she altered the itinerary so we could enjoy ourselves more and maximize our time in Vietnam.

Please forgive all the gushing, but we had the time of our lives, and can't wait to plan our next Asian adventure!

Most Sincerely,

Wendy & Chelsea Trembly
